THE MINNESOTA-BRIGGS HISTORY RECORD

- a self-administered history inventory providing a comprehensive developmental record of the life of an individual under study.
- a valuable new tool for
  - — educational clinics
  - — psychological consulting services
  - — mental health agencies
  - — hospital evaluations.
- a reliable, valid and standardized system which permits the comparison of case histories.
- Compatable with the growing trend toward multi-trait, multi-method approaches.
